Dear grown-ups,

With The Ball Sports Coaching are excited to be enriching PE at St Joseph's this year — and for term 6 we're delivering a brand-new after-school club... Football Club!

The club will run on Wednesdays and is open to all children across the school. Following parent and pupil feedback, football received the most votes as the sport children wanted to see this term, and we're excited to bring a club packed with energy, variety and fun. Sessions combine skill development, teamwork and exciting small-sided games to keep children active, engaged and constantly improving.

Throughout the term, children will develop a wide range of physical, social and thinking skills including dribbling, passing, shooting, attacking, defending, teamwork, resilience and decision-making. To keep things fresh, we'll also include exciting football versions of some club favourites, including MultiHock and DodgeBall, combining the best elements of these games with football skills and match play.
