If your child signs up to a club is it important that you understand it is a commitment for the whole term and they should attend each week. If a child misses a session without a valid reason they will not be allowed to continue. Only children who are on a club's register will be able to take part, we cannot accommodate children watching on the side. Children should wear the school PE kit for after school activities - no home clothes please.

Thank you for your support.
