With St Therese as our guide we do little things with much love to make a big difference for everyone.

**Headteacher: Mrs Clare Howells**

12<sup>th</sup> July 2024

Dear parents/carers

Attached with your child's end of year report are their SATs results. Their results in maths, reading, and grammar, punctuation and spelling are the statutory tests, externally marked. Writing and science are teacher assessments. Their results show a raw score and a scaled score.

### **What is a scaled score?**

Each child is given a scaled score as a number. This is based on their raw score – the number of marks they receive in a test.

Children may achieve a scaled score of:

- Below 100, meaning they have not met the 'expected standard'
- 100, meaning they have reached the 'expected standard'
- Above 100, meaning they have exceeded the 'expected standard'

For children in Year 6 taking the KS2 tests, scores range from 80 to 120.

A child who reaches the expected standard (100 or above) is considered to be ready for the next stage of their education. Where children did not meet the standard conversations have been had with their secondary school which is our way of trying to ensure that the correct support is put in place for our children when they move onto their new school.

We are really proud of all of our Year 6 children, they really did work hard to be the best that they can be - that is shown in their results. Should you have any questions about your child's results, please do not hesitate to ask.

Kind regards

Clare Howells
