With St Therese as our guide we do little things with much love to make a big difference for everyone.

Dear Parents and Carers,

We have been made aware of the game 'Rainbow Friends' which is played within Roblox. There are also video compilations on YouTube that some of our younger pupils in Reception are accessing.

Rainbow Friends is described as a horror experience that combines popular games such as 'Five Nights at Freddy's' and 'Poppy's Playtime'. Rainbow Friends takes place over a five-day loop and players take on challenges. While doing so, players must avoid enemies. You play as a kidnapped child taken to an amusement park called 'Odd World' and are stalked by scary characters.

Some children are finding the characters from this game extremely frightening. The games suggested age is 10+. We want to make parents aware of the game, as some of the children in Reception are talking about it, so that you are able to monitor carefully what your child is accessing and discuss with your child any concerns they may have about the game. If you have any questions, please don't hesitate to ask.

Thank you for your continued support,
Yours sincerely,

Miss Jessica Berry and Mrs Chelsey Hill
