

### **To be healthy we will be...**

- Learning how to play rugby.
- Learn how to join movements together to music through dance.
- Playing team sports and using our collaborative skills and being a team player.

### **As leaders of faith we will...**

- Look at organisations that help people today and how this links with Jesus's teachings
- Hear the events of Holy Week from Peter's perspective
- To make links between the CREED, the work studied and Catholic beliefs about Jesus.

### **As Scientists we will...**

- Compare and group materials together according to whether they are solids, liquids or gases
- Explain what happens to materials when they are heated or cooled
- Measure or research the temperature at which different materials change state in degrees Celsius
- describe how materials change state at different temperatures
- Record data using diagrams, labels, classification keys, tables, scatter graphs, bar graphs and line graphs
- evaluate and communicate their methods and findings

### **As Writers we will...**

- Write stories about a theme to include fronted adverbials, dialogue, power of three and paragraphs.
- Write a recount about an event that happened in our lives recently.
- Write an explanation text about something we have learned in Science.
- Continue to develop our understanding of spelling, punctuation and grammar for Year 4.

## **Anglo-Saxons**

### **As Mathematicians we will...**

- Learning about formal written methods for Multiplication and division
- Exploring Geometry: Angles
- Continuing to practice our times tables.

### **As Historians we will...**

- Knowing when the Anglo Saxons were around and why they invaded and settled
- Learn about what the empty grave tells us about Saxon Britain
- How people's lives changed when Christianity came to Britain
- How Saxons were able to see off the Viking threat
- Understand just how great 'King Alfred' was
- Look at how effective Saxon justice was.

### **As design and technologists, we will...**

- Design, make and evaluate a purse for an Anglo Saxon to carry things
- Look at sewing techniques to be able to join our purse
- Make an Anglo-Saxon purse.

### **In computing we will...**

- Learning about creating media
- Understand how to create a PowerPoint presentation
- Know the different ways we can edit and copy and paste.
