With St Therese as our guide we do little things with much love to make a big difference for everyone.

Dear Parents/Carers,

28th February 2024

On **Friday 15th March**, we are going back to Woodchester house! As you are aware, the children have previously visited Woodchester house in October, and got to experience all things wool and sheep! The children were allowed to feed the sheep, groom the sheep, have a go on a spinning wheel and prepare fleece for spinning. We have very kindly been invited back to see the Spring lambs! As this corresponds with Science week and the theme of TIME, it is a perfect opportunity for the children to explore this concept with the life cycle of sheep.

Key information:

When: Friday 15th March

What time: 9:15 departure from school, 11:15 arrival back at school

What does my child need: PE kit to be worn, wellies or sensible walking shoes as we are visiting a farm area, waterproofs if wet, wet wipes or hand sanitizer (although hot water and soap will be provided at the barn).

Can I help? Yes please! To keep transport costs down, if any parents would like to offer lifts for children and staff, it would help enormously. You will be welcome to stay for the experience. There is parking for 4 cars.

Please be aware: if you are pregnant, the NHS guidance recommends you stay away from sheep!

Please let me know if you can help by Monday 11th March.

How much will it cost: If we have enough parent transport help, there will be no cost to you.

If you have any questions, please do not hesitate to ask.

Kind regards,
Mrs Carr
