St Joseph's PTA: New Event Platform

Dear Parents/Carers,

Spring has finally sprung, and we are delighted to announce the launch of a new event platform to help manage PTA events and activities - www.pta-events.co.uk/stjosephs-nympsfield. This will make it easier and quicker for you to book event tickets and make payment, purchase second-hand uniform, or volunteer for roles at upcoming events.

To access the site, we politely ask that all parents or carers create an account on or before **Monday 1st April**.

Creating an account:

- Please follow this link to register: [St Joseph's PTA](#) (It takes less than 1 minute)
This helpful [short 4-minute video](#) gives an overview of the website and how to create an account.

What happens next:

- Once you've created an account on the site, the PTA will check that the account registered is legitimate and approve your access accordingly. You will receive notification that your account has been approved.
- We aim to do this by Friday, April 4th, to coincide with the launch of our [PTA Logo competition](#).
- We would appreciate it if you could create an account on or before the deadline above.

From the **end of May** onwards, we'll no longer take event bookings via forms/email, or ticket payments via PayPal/BACS, etc. This will help to reduce the amount of time spent tracking payees and payments. Please note that this approach to payment methods is planned for the end of May and will not impact the Easter event. Please get in touch via email if you have any queries.

Advertising opportunities:

There are also opportunities for parents/carers with businesses or services to advertise on the website with special discounts for school families. If you would like to know more about this, please email us pta@st-josephs.gloucs.sch.uk

We look forward to seeing many of you at our upcoming [Easter Event](#) on Sunday, April 6th, from 1 pm - 4 pm.

Thank you for your continued support.
