

In English we will:

Become journalists and write our very own newspaper articles.

Return to our work on Traditional Tales and examine the story of Egyptian Cinderella.

In Geography we will:

Conduct a variety of fieldwork tasks to improve our understanding of the environment.

Be able to locate some European countries on a map.

Study the human and physical geographic characteristics of Greece.

In Maths we will:

Work towards calculating fractions.

Learn how to read Roman Numerals.

Continue to learn to tell the time on an analogue clock.

Begin to sequence events.

In Science we will:

Evaluate our shadow experiment.

Investigate how to conduct a fair test, working scientifically both as a group and as individuals.

Present our data in different ways and begin to create a variety of graphical representations.

In RE we will:

Focus on the appearance of Jesus to his disciples.

Examine artistic interpretations of the road to Emmaus and create our own.

In PE we will:

Develop our tennis skills and work towards playing matches against our peers.

Focus on our sportsmanship skills.

In Art we will:

Look at the work of Anthony Gormley and create our own field sculpture.

Explore the human form and how to represent it.

In RHE we will:

Look at how we are made in the image of God, and created to love both God and others around us, as well as be loved back.

Focus on how we live in a community with others.
