Headteacher: Mrs Clare Howells

With St Therese as our guide we do little things with much love to make a big difference for everyone.

12th July 2024

Dear parents/carers

Attached with your child's report is the result of their Multiplication Tables Check (MTC), which they took in June. The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. There is no expected standard threshold for the MTC, beyond the number and percentage of pupils who achieve full marks, as fluency is the focus of the assessment. The check is out of 25.

I would like to thank you for your support and for all of the work that you did to support your children at home in order to prepare them for the check, it really did make a difference to their fluency and the result that they achieved.

We are really proud of our Year 4 children. This year, they achieved the best set of MTC results that we have had so far.

Should you have any questions about your child's MTC, please do not hesitate to ask.

Kind regards

Clare Howells
