Dear Parents and Carers,

Good Small Farm Trip 2025

This year, we're thrilled to announce our exciting trip to Good Small Farms!

Next term in our science lessons, we'll be diving into the fascinating world of animals and plants. What better way to bring our learning to life than by exploring a real farm? On the big day, we will start by having a tour of the farm, where we will meet friendly animals and discover how they live. But that's not all! We will also participate in hands-on activities that will deepen our understanding of farming, soil, and ecology. One of the highlights will be our Mini Beasts Hunt! We will search for tiny creatures and learn all about their important roles in the ecosystem. It's going to be an adventure packed with fun and learning! So, get ready to put on your explorer hats and join us for a day of discovery and excitement at Good Small Farms!

On the day please ensure that your child arrives in school uniform and ensure they are suitably dressed for the weather rain (coat/sun hat/suncream) and wear suitable footwear for the visit.). Your child should also bring with them a packed lunch and a water bottle (no glass bottles, please). Packed lunch will be provided by cater link if requested, please fill in the form below to request a packed lunch for your child, there will be a choice of filling for a sandwich/ baguette.

In fulfilling the school's charging policy it is necessary to ask for a voluntary contribution of £11 per pupil to ensure this event takes place. Your child would not be denied a place on the trip if you decline to make a voluntary payment, but the school will not proceed with this event unless it is clear that there will be sufficient voluntary contributions for it to be financed.

The details of the event are as follows:
