Dear Parent(s)/Guardian(s)

We currently have 2 vacancies for parent governors. Parent governors are elected by and from the parents of children currently attending our school. They usually serve a four-year term of office and bring a very important and valued perspective to the work of the governing body.

You might like to look at the information for prospective parent governors on the School's website: www.st-josephs-nympsfield.com Click on 'Our School' select 'Meet the Governors' and then scroll down to the section on 'Governor Vacancies' and refer to the documents 'Becoming a School Governor' and 'Meet the Governors Information for Parents – October 2023' Paper copies of these documents may be obtained from the school office.

The governing body has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that governing bodies need will vary and will include personal qualities and capabilities, such as the capacity and willingness to learn and work as part of a team. It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing body.

If you are interested in becoming a governor, please use the nomination form below or ask the School Office for a nomination form (self-nomination is acceptable) and return the completed nomination form to the School Office by 12.00 noon on Wednesday, 22nd November 2023.

If there are more nominations than vacancies, a ballot will be held, and you will be sent a voting paper.

Yours sincerely

Roger Slater
