

To be healthy we will...

- Working on taking care of our bodies through balance, dance, yoga style movement and gymnastics.
- Continue to engage in our outdoor learning activities, including map reading!

As leaders of faith we will...

- Learn about the presentation of Jesus in the temple.
- Learn about how Jesus Mary and Joseph travelled from Galilee to Jerusalem.
- Learn about Jesus' mission.
- Learn and respond to the story of the Little Children.

As Scientists we will...

- Explore, investigate and explain what material objects are made from.
- Consider why these materials may have been used.
- Sort objects and their materials.
- Explore how solid shapes can be changed.

As Writers we will...

- Be diving deeper into time openers including using because, at that moment, and by the next morning.
- Joining sentences and, so and or
- Using exclamation marks!

Spring Term 1 Investigation of the Nation. Year 1

**As Mathematicians we will...**

- Use addition and subtraction number facts 11-16.
- Explore measurement – measuring and comparing.

Through Art we will...

- Look closely at the flora and fauna around us to inspire our artwork.
- Experiment with a variety of materials to create different kinds of images.
- Create our own individual pieces of art that show our ideas.

As Geographers we will...

- Name and locate the four countries, their capital cities and surrounding seas and identify their geographical characteristics.
- Use simple navigation and follow simple routes on maps.

Through music we will...

- Listening: identifying dynamics, duration, tempo, timbre, using instruments, identifying mood and identifying pitch.
- Composing and creating rhythms.
