Transition to the Next Year group

Dear parents/carers,

With the summer term well underway and the children are coming towards the end of their current year group. I am just writing to let you know about the transition arrangements that will take place for all of our children.

Starting today, the children will be spending an hour in their new classroom with their new teacher during their **REACH** activity. This will continue for most of this term to support all children with a smooth transition into the next year group. The aim of these sessions is to; enable the children to become familiar with their new teacher, start to build a new relationship, ask any questions that they might have about next year while taking part in several transition activities.

The teachers for next year are:

Year 1	Miss Read
Year 2	Miss White
Year 3	Miss Drury
Year 4	Miss Keightley
Year 5	Mrs Carr
Year 6	Mrs Knight

I am sure that this will be the first thing that your children tell you when they see you at the end of the day! If you have any concerns, staff are on the playground at the end of the day, please do not hesitate to speak to them.

Thank you for your continued support,

Kind regards,

Clare Howells
Head Teacher
