

To be healthy we will be...

- Learning summer sports such as cricket and tennis
- Learning to play cooperatively as a team and demonstrate good sportsmanship

As leaders of faith we will...

- Recap what we know about Peter's story
- Explore the story of Jesus on the Shore of Lake Tiberias
- Develop our understanding and knowledge of the Catholic Church
- Reflect on how the Pope and Bishops are servants to others.

As Scientists we will...

- Explore the water cycle
- Consolidate our knowledge about how states of matter can change
- Make scientific observations and measurements during practical activities
- Plan, carry out and evaluate practical investigations

As Writers we will...

- Write narrative poems
- Write and perform a play
- Learn how to construct a letter
- Use paragraphs, dialogue, fronted adverbials and expanded noun phrases to create exciting writing
- Spellings: prefixes: inter-, anti-, auto-, ex-, non-

Wet! Wet! Wet!

Year 4

As Mathematicians we will...

- Understand decimals
- Explore fractions and how to calculate them
- Continue to practice our times tables

As Artists we will...

- Recognise that our individual creative response will be different to that of their peers, but that it is valued and can contribute to a larger shared artwork
- Develop drawing skills by drawing from imagery and from life

As Geographers, we will be...

- Looking at what a river is and the uses of it
- Describing the water cycle
- Identifying stages and features of a river
- Understanding how flooding affects a community
- To understand the key characteristics of one of the world's longest rivers

As Musicians we will be...

- Learning about the language of music through playing the glockenspiel
- Confidently play a piece of music learnt on the glockenspiel
- Understanding the rhythm and beat of the music
