Your 2 year old can get free childcare if you live in England and are in receipt of the following benefits.

- Income support;
- income-based job seekers allowance (JSA);
- income-related employment and support allowance (ESA);
- Universal Credit, and your household income is £15,400 a year or less after tax, not including benefit payments;
- the guaranteed element of Pensions Credit;
- Child Tax Credit, Working Tax Credit (or both), and your household income is £16,190 a year or less before tax;
- The Working Tax Credit 4-week run on (the payment you get when you stop qualifying for Working Tax Credit).

Families may also be entitled to the funding if they meet one of the following criteria:

- the child has an Education Health & Care Plan (EHCP) or a current statement of special educational needs, or a SEND My Plan +;
- the child is in receipt of Disability Living Allowance; or
- the child is in the care of the Local Authority (ie. Gloucestershire County Council), they have left care through special guardianship order, child arrangement order or adoption order.

The number of funded hours available for funded childcare is 15 hours per week for 38 weeks of year, ie. term time only (TTO). If eligible, funding would be available the term after the child's 2nd birthday (as per table in "working parents 2 year old funding" section).

To check if you are entitled you can register with Gloucestershire County Council (GCC) via the Citizen portal (www.gcca2yofunding.com), enter your details and if you are entitled you will be given a reference number and email. You will need your National Insurance Number to check eligibility.

If you are unable to access the portal or wish to find out more, contact the Family Information Service on 01452 427362

If you are successful in attaining 2 year old funding for your child, then please email St Joseph's Pre-school's Treasury Administrator (stjosephstreasad@gmail.com) the confirmation email you receive from GCC. This will have a unique reference number for your child and funding application (starting with "TYF-") together with a start date for the funding. Upon receipt, our Treasury Administrator will furnish you with the information and documents required to enable the Pre-school to receive said funding for your child whilst they are in attendance at the setting.

Funding for 3 & 4 year olds

There are two possible sources of funding available for 3 year olds. Namely:

All 3 year olds

From the term after your child's 3rd birthday, they will automatically be entitled to receive 15 hours (universal) entitlement to use. This funding is available for 38 weeks per year and can be used flexibly with one or more childcare provider*.

3 & 4 year olds of working parents

Working parents can apply for an additional 15 hours (extended) entitlement prior to the term that their child becomes eligible for the 15 hours (universal) entitlement. This entitlement, like the "Working parents 2 year old funding" is income related. If successful you will be issued with an 11 digit code – please inform the Treasury Administrator of this (stjosephpstreasad@gmail.com) – and you will then have up to 30 hours of early education over 38 weeks available for your child.

NB: If you are already in receipt of "Working parents 2 year old funding" and you remain eligible, you will be automatically moved onto the 30 hours from the funding term after your child's 3rd birthday. You (parents), just need to keep reconfirming the code as normal and it will become usable to claim 30 hours (the actual code remains the same).

Renewing eligibility codes

Your child's code needs to be renewed every 3 months. You will receive 3 reminders from Childcare Choices to reconfirm the code, ie.

- *first reminder*: sent approximately 4 weeks before the code expires;
- *second reminder*: sent 2 weeks before; and
- *final reminder*: sent on the expiry date.

The Treasury Administrator will also endeavour to remind you to renew your child's code. But the onus is really on you as the child's parent/carer.

Note that if you apply for a funding code after the deadline date (31 August (re Autumn term), 31 December (re Spring term) or 31 March (re Summer term)), then the code will not be valid until the following funding period.

If you fail to renew your child's code or are no longer eligible, then your child will fall into a "Grace Period". The date that you were required to renew will affect whether your child's eligibility ends on the 31st of the current funding period or on the 31st for the following funding period. Thus once the "Grace Period" ends you will be charged for any hours that are not funded at the Pre-school's normal hourly rate (see Policy 4.10 Payment of Fees).
