

Through Design Technology we will...

- Explore a variety of pop up books.
- Look at mechanisms such as sliders and levers.
- Create our very own pop up books.

To be Historians we will...

- Understand what flight is.
- Compare flight past and present.
- Investigate and know the importance of the Wright Brothers, Amelia Earhart, Bessie Coleman and Frank Whittle

As scientists we will...

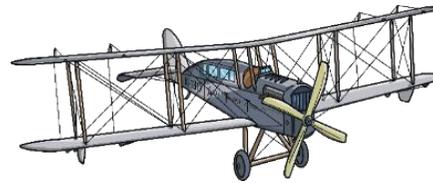

- Using our senses to observe and record data about the spring term.
- Look at day length and how this varies throughout the seasons.
- Explore plants and their features.

As musicians we will...

- Listen to a range of music and make comparisons.
- Create and perform from written symbols with an awareness of pitch, understanding how symbols can show higher and lower sounds.

Spring Term 2 Topic Web

Year 1 - Flying High

As writers we will...

- Write our own fairy-tale stories, using repeated phrasing.
- Explore the 'Red Rocket Poem' looking at similes, metaphors, adjectives and nouns.
- Look at the fable 'The Tortoise and the Hare'

To be healthy we will...

- Explore different music and dance in time to the beat.
- Further explore a range of multi-skills including co-ordination running and jumping.

As Mathematicians we will...

- Partition numbers 17 through 20.
- Write addition and subtraction number sentences for numbers 17 through 10.
- Recognise halves and quarters.
- Use mathematical language to describe movement (whole and half turns).

To be Leaders of Faith we will...

- Continue to deepen our understanding of the Catholic Faith through the season of Lent.
- Explore Jesus temptation in the Desert.
- Understand why as a Catholic Faith we fast during Lent.
