Dear Parent/Carer

Following the recent trip to the Holst museum, the museum would like to use photographs taken during our visit/activity for promotional and marketing purposes.

These images may be used in a variety of formats, including (but not limited to):

- The museum's website
- Social media channels
- Printed materials such as brochures, posters, and leaflets
- Press or publicity releases

We are committed to safeguarding all children and ensuring that images are used respectfully and appropriately. No personal information at all will be shared alongside photographs.

In order for your child to be included, we need your consent. If we do **not** hear from you by **Wednesday 13th May 2026 by 3pm** we will assume that you give consent for your child's photograph to be used.

If we hear from you to say that you do not give consent, your child will not be included in any photographs used for marketing purposes.

If you have any questions or would like further information, please do not hesitate to contact us.

I have attached a copy of the photos below in order to inform your decision.

Thank you for your continued support.

Mrs Carr
