Dear grown ups...

With The Ball Sports Coaching are helping to extend and enrich PE at St Joseph's this year!

We will be continuing our after school club programmes by offering an Athletics Club on Wednesdays during Term 5. This will be open to children across the whole school, who will also be invited to join us at our Athletics Festival on Saturday 18th May. If you are receiving a hard copy of this letter, it is because your child has shown their explicit interest in signing up!

You can find out all information about this club, and sign up by scanning the QR code below or using the following link <https://with-the-ball-sports-coaching.classforkids.io/info/98> But be quick... spaces are limited and filled on a first come first served basis!

If you have any issues or further questions after you have followed the above, then please feel free to get in touch using the details below.

With The Ball guarantee to fuel life changing sports experiences in every child irrespective of their age, ability or experience. Our sessions are tailored to meet their individual needs in an environment where they feel safe.

We have found that children who attend at least one of our after-school clubs each term improve by an average of 18% more across the whole PE curriculum in comparison to those who do not.

You can read more about us here at With The Ball, the services we offer and exactly what teachers, parents and students say about us via www.withtheball.co.uk.

We look forward to seeing your child at the club!
