24th September 2025

Dear Parents/Carers

On **Tuesday 14th October** we are going to Wycliffe College for their 2025 STEM day. This is normally an annual trip, but unfortunately they didn't run it last year. So we are really excited that they are back running again! The whole day is geared up to be quite exciting, with plenty of whizz, bangs and slime!

Key information

When: Tuesday 14th October 2025

What time: Meet at Wycliffe at 9:15am. We gather at 9:20am for the first science lecture at 9:30am. The day will finish at 2:45pm. Collection from Gate 1 at 3pm. Drop off and pick from Gate 1, Senior School on the Bristol Road, turn right as soon as you come in (do not drive up the drive). There is then a drop off layby at the end of the netball courts.

What does my child need: School uniform, packed lunch and water bottle.

Can I help? We have enough staff to cover this trip in house. Due to the timings of the trip, if parents need to help each other with pick up of siblings or lift shares, please could you let the office know the arrangements. Previous year groups have organised this on Whatsapp and a "parent rep" has let the school know.

How much will it cost: Free of charge 😊

If you have any questions, please do not hesitate to ask.

Kind regards

Mrs Carr
