With St Therese as our guide we do little things with much love to make a big difference for everyone.

25<sup>th</sup> October 2024

Dear Parents/Carers

We are delighted to announce the introduction of a new Catholic Religious Education curriculum for our primary school students. This curriculum has been thoughtfully developed by Louise White, along with other esteemed advisors from other Dioceses. Their collective expertise and dedication have resulted in a program that we believe will greatly enrich our pupils' understanding of the teachings of Jesus and build their relationship with God.

The new curriculum is designed to be both engaging and innovative, incorporating the latest pedagogical approaches to ensure that our pupils not only learn about their faith but also experience it in a meaningful and personal way. Through a variety of interactive and reflective activities, pupils will explore the core areas of Catholicism, develop a deeper understanding of their faith, and learn how to live out these values in their daily lives.

We are confident that this new curriculum will provide a solid foundation for our students' spiritual growth and help them to develop a strong understanding of the key people and teachings of the Scriptures. We look forward to seeing the positive impact it will have on our school community.

Thank you for your continued support and partnership in your child's education. If you have any questions or would like more information about the new curriculum, please do not hesitate to contact us.

Yours sincerely

Mrs Becky Carr
