

Summer 1 – Amazing Animals!

As Mathematicians we will...

- Continue to explore partitioning of numbers, addition and subtraction.
- Use repeated addition to find doubles and even numbers.
- Combine equal groups to find a total.
- Distribute objects by sharing into equal groups.

As Scientists we will...

- Go on a welly walk and observe signs of Summer.
- Observe changes from Spring to Summer.
- Understand why animals are becoming endangered and discuss what we can do about it.
- Observe and draw animals and plants.
- Identify and explore life cycles.
- Explore the natural world around us and make observations.
- Plant seeds and bulbs.

CST - Stewardship

As Writers we will...

- Retell and perform stories.
- Learn Phase 4 Sounds.
- Write simple sentences.
- Practice spelling HFW's.
- Listen to weekly focused texts.

To be healthy we will...

- Develop technique, control and balance.
- Practice and develop running, jumping, throwing and catching in isolation and in combination.

As Artists and Designers we will...

- Find out about the artists Rousseau and Goldsworthy.
- Plan, create and paint a clay Mini beast.
- Create natural Mini beasts like Andy Goldsworthy.
- Create Eric Carle inspired illustrations.
- Share creations, explaining the process used.

To be resilient, empathetic, ambitious and confident we will...

- Learn about safe and unsafe situations indoors and outside.
- Recognise that we are entitled to bodily privacy.
- Understand that we can speak to trusted adults if there is anything that troubles us.
- Recognise that there are people who have special jobs that can help us.

As Leaders of Faith we will...

- Explore the ascension of Jesus.
- Learn about Pentecost.
- Recognise the signs of the Holy Spirit during Pentecost.
- Understand that the Holy Spirit is our friend.
- Recognise that the Parish church is a special place.
- Know that our Parish is a family and community.

As Historians we will...

- Talk about the past and present events in our own lives and in the lives of family members.

As Geographers we will...

- Identify features and draw information from a simple map.
- Recognise some environments that are different from the one in which we live.
- Identify some similarities and differences between life in this country and life in other countries.

CST – Option for the Poor
