Topic Web
Autumn Term 2

As Scientists we will…

- Observe changes as we move into the Winter season.
- Learn about what we can see, touch and feel during winter.
- Observe and describe weather associated with Winter and how day length varies.

To be healthy we will…

Continue to develop our multi-skills with Mrs Dixson focusing on co-ordination and football.

As leaders of faith we will…

- Explore the Annunciation of Mary becoming the mother of Jesus.
- We will learn about the visitation of Mary and her cousin Elizabeth.
- We will be exploring the Birth of Jesus throughout our lessons and our Advent retreat.

As Technologists we will…

- Explore different types of chairs and talk about what makes them strong and comfortable.
- Plan and design a chair for Baby Bear, thinking carefully about size, shape, and materials.
- Build and test our chair to make sure it is stable and can hold Baby Bear safely.

In music we will be looking at…

Exploring pulse and rhythm and pulse. We will also learn Christmas carols.

As Writers we will…

- Look at traditional tales including Goldilocks and Red Riding Hood.
- Look at 'Fireworks Poem' focusing on using adjectives and being introduced to onomatopoeia.

As Mathematicians we will…

- Learn our numbers up to 100!
- Find one more and one less up to 100
- Learn addition and subtraction number facts up to 10
- Learn some 3D shapes

As Historians we will…

- Be looking at toys that were used by our parents, grandparents and before that.
- Looking at how toys back then are different from toys now.
- Creating our own Toy museum!
