

To be healthy we will...

- Learn about hygiene and cleanliness through E-Bugs during our REACH activity.
- Take part in Multi-Skills activities during our PE lessons to build strength, co-ordination and team work.

As Writers we will...

- Identify key features of a story with a repetitive phrase.
- Use story maps to retell a story.
- Write our own stories with a repetitive phrase.

As Mathematicians we will...

- Partition numbers in different ways.
- Count forwards and backwards on a number line.
- Order numbers.
- Find 1 more and 1 less up to 20.
- Add and subtract from 20.

As Scientists we will...

- Observe and describe seasonal changes throughout the year.
- Identify typical weather patterns for each season.
- Use our senses to explore seasonal elements, what we can see, touch, smell, hear and taste.

'Home Sweet Home' *Autumn Term 1, Year 1*

As Artists we will...

- Draw and make marks using different parts of our body e.g. elbows, fingers.
- Explore different drawing tools to create spirals.
- Create our own sketchbook.
- Explore continuous line drawings.

Through Computing we will...

- Learn what technology is and how it helps us in everyday life.
- Learn how to use a keyboard to type letters and words.
- Learn how to control a mouse to click, drag and move objects on the screen.

As leader of faith we will...

- Explore the story of Creation.
- Discuss what God created and reflect on what happened afterwards.
- Learn about why we pray and how it brings us closer to God.

As Geographers we will...

- Look at where we live and talk about places we know well.
- Identify human and physical features.
- Examine aerial photos.
- Draw our own maps to show the special places around us.
