Anti-Bullying and Hate Policy

Introduction

Bullying causes real distress and affects a person's health and development and in some instances, bullying can cause significant harm. Everyone, regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation, has the right to equal protection from all types of harm or abuse. Everyone within our school community has a role to play in preventing bullying and putting a stop to it.

At St Joseph's Catholic Primary School 'RESPECT' is central to our school vision and we are committed to providing a warm, secure, healthy environment for all staff and pupils. The aim of this policy is to try to prevent and deal with any behaviour deemed as bullying, and to create a safe, caring ethos in which everyone can learn and work.

Bullying of any kind is regarded as unacceptable. If we discover that an act of bullying or intimidation has taken place, we act immediately. We recognise that bullying can be closely related to how we respect and recognise the value of diversity and we are proactive about seeking opportunities to learn about and celebrate difference.

1) Policy Objectives

This policy outlines what St Joseph's Catholic Primary School will do to prevent and tackle all forms of bullying. The school is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form. To do this we will:

- Develop a shared understanding of what bullying is
- Raise awareness of bullying is and why some children bully
- Ensure all governors and staff know what the school policy is on bullying, and that they follow it when bullying is reported
- Ensure all pupils and parents know what the school policy is on bullying, and what they should do if bullying arises. Pupils and parents should be assured that they will be supported when bullying is reported
- Take positive action to prevent bullying
- Have a consistent response to any bullying incidents that may occur
- Provide support for all members of the school community who may be involved in a bullying situation

2) Links with Other School Policies and Practices

This policy links with several school policies, practices and action plans including:

- Behaviour policy
- Complaints policy
- Child Protection policy
- Confidentiality policy
- Acceptable Use Policies (AUP)
- Curriculum policies, such as, RSE/RSHE, PSHE,
- Mobile technology and social media policies

3) Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986.

4) Responsibilities

It is the responsibility of:

- The head teacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

5) Definition of Bullying

Bullying can be defined as *'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally'*. DfE 'Preventing and Tackling Bullying. It can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours and is usually **Several Times On Purpose (STOP)**. It is distinct from conflict which is part of everyday life.

It is not:

- A one off fight or argument
- A friend sometimes being nasty
- An argument with a friend
- Falling out with friends on an occasional basis

Bullying can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

St Joseph's Catholic Primary School recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development. Bullying is recognised by St Joseph's Catholic Primary School as being a form of peer on peer abuse; children can abuse other children. Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up". We recognise that even if there are no reports of bullying, it does not

mean it is not happening and it may be the case that it is just not being reported. All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6) Forms and Types of Bullying Covered by this Policy and the Possible Signs

7) School Ethos

- St Joseph's Catholic Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Understands the importance of challenging inappropriate behaviours between peers.
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

Supporting Adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the head teacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to future concerns.

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognise the potential for children with Special Educational Needs and Disabilities (SEND) to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.

- Openly discuss differences between people that could motivate bullying, such as:
 - children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others. This will be done through PSHE and through following the behaviour policy.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly outside of school.
- Work with staff, the wider community and outside agencies (such as local Police Officer) to prevent and tackle concerns including all forms of prejudice-based and discriminatory bullying.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.

- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

12) Monitoring and Review

Putting Policy into Practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
