2.1.3 Sickness and Absence

Policy Statement for St Joseph's Nympsfield Out of School Club

St Joseph's Nympsfield Out of School Club (OOSC) recognises that employees may be absent from the organisation for a variety of reasons. To ensure that all staff are treated in a consistent and equitable manner, this document provides the framework for dealing with such circumstances.

Absence: whether due to illness or any other circumstances is defined (for the purpose of this document) as the non-attendance of workers when they are contracted to attend.

Procedure

- Any sickness/absence should be reported to the Play Leader, or if it is the Play Leader then to the Chair of St Joseph's Nympsfield Out of School Club's committee, by 7.00 am, by telephoning his/her personal mobile (**all staff should take a note of this**) giving a clear indication of the nature of the illness/absence and a likely return date. The individual member of staff must make the call unless they are physically unable.
- It is the responsibility of the member of staff to ensure their absence has been received by the Play Leader (or Chair in the case of the Play Leader) – so a left message or a text message is unacceptable.**
- The Play Leader should report their absence to the Chair or in his/her absence a committee member by 7.00am. The Play Leader, or the Chair in the case of the Play Leader's absence, is required to make every effort to ensure cover for the OOSC. This will primarily be by using our qualified bank staff who are on call.
- We have contingency plans to cover staff absences as follows:¹
 - Deputy Play Leader will cover for Play Leader
 - Play Assistant will cover for Deputy Play Leader. Play Assistant must hold a relevant Level 3 qualification.
- At the end of each day, the Play Leader contacts any member of staff who is absent to catch up and check on how they are.
- Any sickness absence of less than seven days requires an employee to complete a 'Self Certification Form' (see Appendix 1).
- Sickness absence which exceeds seven days requires an employee to obtain a 'Fit Note' from a GP or a hospital doctor.
- A 'back to work' discussion with the Play Leader will take place after each period of sickness/absence. This is to establish the reason for and cause of the absence, to consider whether there is anything the Play Leader or organisation can do to help and to confirm that the employee is fit to return to work.
- The Play Leader's 'return to work' discussion should take place with the Chair or another committee member, as nominated by the Chair.
- A more formal review will be triggered by:
 - frequent short term absences, eg. three periods of absence in a six month period;
 - or after a long term absence.

¹ The OOSC use their WhatsApp group to organise cover

- In exceptional circumstances, eg. after a long term absence, we may ask the employee's permission to ask for a report from their GP. This request will be made in writing requesting the employee's counter signature.
- Longer absences will require a phased return to work schedule to be implemented. This will be discussed and agreed at the 'return to work' meeting. This will help the OOSC plan workloads.
- Absences of one to three days will be considered as a 'short term' absence.
- Absences of four days or more will be considered as a 'long term' absence.
- If an explanation for the absence is not forthcoming or considered to be unsatisfactory, disciplinary procedures will apply.
- All records relating to staff sickness/absence will be stored confidentially and securely.
