

As Scientists we will...

- Observe changes as we move into the Winter season.
- Learn about what we can see, touch and feel during winter.
- Observe and describe weather associated with Winter and how day length varies.

To be healthy we will...

- Take part in learning the basic skills of Netball.

As leaders of faith we will...

- Explore the Annunciation of Mary becoming the mother of Jesus.
- We will learn about the visitation of Mary and her cousin Elizabeth.
- We will be exploring the Birth of Jesus throughout our lessons as well as our Nativity!

As Technologists we will...

- Discuss and evaluate items with wheels and axles, as well as looking at the structure
- Design our own functional car
- Select appropriate tools and resources
- Evaluate our product

In computing we will be looking at...

- What technology is
- Using a keyboard
- Developing mouse skills

Topic Web

Autumn Term 2

As Writers we will...

- Look at two new fairy tales 'The Three Little Pigs' and 'Goldilocks and the Three Bears' focusing on sentence openers and full stops.
- Look at 'Fireworks Poem' focusing on using adjectives.

As Mathematicians we will...

- Learn our numbers up to 100!
- Find one more and one less up to 100
- Learn addition and subtraction number facts up to 10
- Learn some 3D shapes

As Historians we will...

- Be looking at toys that were used by our parents, grandparents and before that.
- Looking at how toys back then are different from toys now.
- Creating our own Toy museum!
