Dear parents/carers

2nd February 2026

Year 4 Safer Internet Play 'In the Net' at school on Tuesday 3rd March 2026

As I am sure you are aware, internet safety of children across the UK has been in the news recently and continues to be a concern.

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying.

In order to do this, we are presenting an interactive play to our Year 4 pupils on Tuesday 3rd March, which will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation. The play is age appropriate and is called 'In the Net'. It will last for approximately 50 minutes and pupils will be provided with a support pack at the end of the production.

This activity is part of a programme of work around raising and tackling the complex nature of Internet Use and is being supported by the Education Sub Group of the Gloucestershire Safeguarding Children Partnership (GSCP).

We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line. We are hosting this event this year so there is no transport to arrange or cost. **If you do not want your child to take part please let Miss Keightley or the Admin Team know asap.**

Yours faithfully

**Clare Howells
Headteacher**
