To be healthy we will...

- grow in confidence with our movement in dance – using developing our gross motor skills for strength and coordination in line dancing and balance.

As Scientists we will...

- look to nature with awe and wonder as we begin to see seasonal changes from Autumn to Winter.
- continue to confidently see, notice and describe observations we make in the natural world.
- discover and learn about the animals that may hibernate in the world around us, and explore how they might do that and creating homes from natural materials.

As leaders of faith we will...

- we learn and reflect through faith and hope about God's love for us this Advent season.
- discover more about the faith of Mary, Joseph and the shepherd's on their long journeys.

As Writers we will...

- Continue to develop our confidence of our fine motor skills by using the correct tripod grip.
- Be aspirational in our writing to write labels, captions and some simple sentences using our Phase 2 and Phase 3 sounds.
- Develop our empathy for characters in our focus books: Stick Man and Can't You Sleep Little Bear.

As Mathematicians we will...

- shine with confidence counting to and representing 5.
- be resilient when exploring composition of things up to 5, introducing part, part, whole (2 ears on a bear, 4 legs on a chair).
- continue to show our love of counting – counting up to 20.
- Be aspirational as we explore circles and shapes with 4 sides.

As empathetic friends and learners we will...

- Showing empathy towards ourselves and other as we learn what makes us special and unique.
- Showing love and self-acceptance as we explore our feeling and how we all make mistakes, but being able to say sorry and ask for forgiveness.

As Historians we will...

- use high expectations to learn and discover about stories from the past, including, Guy Fawkes (Bonfire/Fireworks Night, Rama and Sita (Diwali), Hanukkah and Christmas.

As Geographers we will...

- be exploring how New Year is celebrated across the world – considering the celebration of new beginnings – with a great love of what has been, and hope for what is to come.

As Artists we will...

- Making decorations for the celebrations we learn about.
- Exploring our 3D junk modelling with aspirational ideas for a stable and manger like Jesus used when he was born.
- Creating Remembrance wreaths with faith and hope for a future filled with peace and love.
