

To be healthy we will...

- Be lucky to have the amazing Ali Dixon to teach us gymnastics!

As leaders of faith we will...

- Understand Ash Wednesday and the importance of Lent to Catholics.
- Explore Lent as the season of prayer, fasting and Almsgiving.
- Explore virtue, conscience and sin.
- Understand the relevance of prayer during Lent.
- Reflect on the Transfiguration further.

As Scientists we will...

- Understand the life cycle of humans from foetus to death.
- Continue on from our Awe and Wonder scientist to understand about how blood groups work.
- Understand how to keep our bodies and our heart healthy.

As Writers we will...

- Develop our persuasive writing through the lens of our previous topic 'From Rio to the Rainforest'.
- Write a mystery and suspense story bringing all our learning together - especially our use of figurative language.
- Continue our work on parenthesis and fronted adverbials.

As Mathematicians we will...

- Identify equivalent fractions represented visually.
- Compare and order fractions.
- Represent tenths and hundredths.
- Link fractions, decimals, and percentages.
- Convert between units of measure e.g, kilometres to metres.
- Find the perimeter of composite shapes.

As Designers we will...

- Use CAD (Computer Aided Design) software to design a T-shirt logo.
- Design and use a range of templates for the T-shirt logo.
- Create a fabric patch with the logo on it.

As Historians, we will...

- Investigate key historical periods evident in Dursley.
- Consider the changes in the town of Dursley over time (industry - Lister company).
- Investigate how Education has changed in Dursley.
- Explore the vanishing Dursley train station.
- Visit Dursley and appreciate the historical significance of the town.

As Musicians we will...

- Use Holst's Planetary suite to explore tempo, pitch, dynamic and motif.
- Begin to apply these key principles to composing our own simple pieces.
