

This term will be slightly different as we have SATS preparation and SATS week (w/c 13<sup>th</sup> May 2024). Therefore, we have decided to continue our Equality for All topic for another term.

Living our ‘Life to the Full’ we will consider...

- Restorative Conversation and relationships
- Having an NSPCC workshop linked to ‘Speak Out, Stay Safe’.
- Giving Assistance

As Leaders of Faith, we will...

- Explore in real detail the events of the Easter season by examining the parallel accounts of the Gospels.
- Prepare for transition to secondary school - clear links will be made to the Sacrament of Confirmation and reflection on the effect of the Holy Spirit in our lives.

As Musicians, we will...

- Begin to consider our music for our end of year production. Considering how to perform to an audience.

## Summer 1 Equality for all

As Historians and Geographers, we will ...

- Discover the difference between a refugee, migrant, asylum seeker and economic migrant and consider the reasons people, flee their country (considering if these have changed over time).
- Start to consider our enquiry question: How do volcanoes and earthquakes affect life in Mexico?

As Writers and Readers, we will...

- Consider, study and write letters.
- Consider, study and write free verse poetry.
- Consider, study and write newspapers.
- Focus on a range of SPaG from across Key Stage 2 through a variety lessons/homework.
- Listen to stories/poems during reading time every day. Our focus text is Holes by Louis Sachar.

As Mathematicians, we will...

- Algebra
- Study statistics.
- Undertake targeted revision
- Complete SATS tests
- Consider extra problem solving

As Scientists, we will...

- Develop our ability to work scientifically through experiments.
- Explore our topic Living Things and their Habitats:
  - describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences
  - give reasons for classifying plants and animals based on specific characteristics
  - record more complex data and results

To be healthy we will...

- Take part in a variety of sporting activities with the sports coaches from Montagu Sports Academy – cricket and tennis.
- Complete our Bike Ability course.
