Acting Headteacher: Mrs Clare Howells

With St Therese as our guide we do little things with much love to make a big difference for everyone.

Dear Parents and Carers

Maths Club (invitation only)

Mrs Hamlin will be running a Maths Club after school on Wednesday's from 3.20pm – 4.15pm beginning 11th October, and your child is invited!

These sessions will be specifically focused on ensuring that your child is able to confidently and efficiently work out arithmetic questions, and is able to use this knowledge in a range of different applications. They will reinforce what has been taught in school, as well as recapping objectives previously covered.

The club is optional, however, we **strongly recommend** your child attends. To help us plan and cater for all of the children's needs, please let the office know whether your child will be attending as soon as possible.

To make the club that little bit more enticing, we will provide biscuits for the children and we also have a cake rota so each child will be asked to bring in cakes to share with their friends– this was very popular last year! We will provide the cakes this week.

Please do not hesitate to contact me if you would like to discuss this.

Many thanks for your continued support.

Kind regards

Mrs Knight
